

Lexmark X342n

Increased Productivity
on your Network

uncomplicate
the way you
work.

Fast! Up to 25 ppm network printing and less than 12 seconds to first page

50 sheet Automatic Document Feeder (ADF) allows you to scan, copy or fax multiple pages

Print Resolution
600 x 600 dpi Image Quality gives you sharp, defined documents

Easy-to-use Simple, no fuss operation

Mono Laser Multifunction Printer

LEXMARK
TM

The affordable All-In-One

Fast and efficient

No bottlenecks here! The Lexmark X342n reaches output speeds up to 25 ppm, and offers a rich range of time-saving features, including multiple fax shortcuts, a 50-page Automatic Document Feeder, and colour scanning in various file formats, including editable text.

Simple for everyone

More than just easy on your budget, the Lexmark X342n is also easy to set up and operate. The cartridges take just seconds to install. And the intuitive backlit display with two lines of text helps end-users carry out printing and maintenance tasks by themselves – with virtually no training!

LexExpress™

If we can't fix your printer problem over the phone... we'll send you a replacement printer by express courier

We are so confident in the quality of our printers, and the expertise of our LexExpress on-line service technicians, that we promise to fix the problem or we'll send you a replacement printer. And this service is not just for the big cities - it's available throughout Australia and New Zealand, even in the outback! This LexExpress warranty is applicable to all Lexmark inkjet printers and personal laser printers. So you'll never need to wait for parts or a service technician again - and you'll never be without a printer! Call 1300 362 192 in Australia or 0800 539 6275 in New Zealand or visit www.lexmark.com.au to find out more.

Lexmark supports the environment by reducing paper wastage. As one of the many environmental initiatives Lexmark does not pre-print brochures.

In Australia Lexmark partners with Planet Ark to collect and recycle toner and ink cartridges. Visit www.lexmark.com.au for more details.

Technical Specifications

Print technology	Monochrome Laser
Print speeds	A4 - Up to 25 ppm Letter - Up to 27 ppm
Time to first page	10 seconds
Copy Speeds	25 cpm
Time to first copy	12 seconds
Processor	150 MHz
Memory	Maximum - 64 MB
Font selection	PCL 6 Emulation
Print resolution	600 x 600 dpi
Duty cycle	15,000 impressions per month
Input	Standard - 250 pages Maximum - 800 pages
Output	Standard - 150 pages Maximum - 150 pages
